

History Knowledge Organiser- Year 3 Tudor Monarchs (1547-1603)

Key Vocabulary	Definition
succession	Process of receiving a title after another eg King or Queen
Elizabethan Religious Settlement	A form of Protestantism similar to Catholicism, which many former Catholics were willing to follow
invasion	Entering a place with force, usually to try and take control
tactic	An action carefully planned
hellburner	Ship filled with gunpowder and tar, set on fire and then sailed into enemy fleets
The Spanish Armada	A fleet of ships owned by the Spanish
treason	A crime where a person betrays their country. This includes trying to kill or steal the throne from their king

Tudor Monarch	Years of Reign	Religious followings	Interesting fact
Edward VI	6 years	Protestant. He wanted to move English churches further away from Catholicism to Protestant	Became king at age 9 and died when he was 15
Mary I	5 Years	Catholic. Mary I was Catholic so England went through the upheaval of turning back towards being a Catholic country	She is remembered as 'Bloody Mary' because she killed many people who would not change back to Catholicism
Elizabeth I	45 years	Protestant. She worked hard to build a compromise between Protestantism and Catholicism and the country became more peaceful	Never married and did not leave an heir to the throne She was the last Tudor monarch
