

Geography - Year 5

Local Study

Key Vocabulary	Definition
Sketch map	A simple, hand drawn map, from sight or memory, showing the key human and physical features in an area.
Graph	A mathematical drawing that shows information using lines, shapes and colours.
Analyse	To look closely at something and understand it.
Data	Information, often facts or numbers, that can be collected and analysed to help us understand something.
Fieldwork	The process of observing and collecting data about people, cultures and natural environments.
Local Councillor	A person elected to a local council to represent the views of local residents.
Resident	Someone who lives in a particular place.

	Traffic	Litter	Shops
Issues	Congestion can cause: - Delays - Air Pollution - Frustration	Litter can be: - Unhygienic - Unpleasant to look at - Dangerous for animals	Expensive rent can cause: - Businesses to close - Shops to be left empty - Shopping areas to lose diversity
Possible Solutions	- Congestion charging - Building new roads - Improving public transport	- Increase waste collection - Provide more bins - Encourage recycling and reusing	- Reduce rent for local businesses - Turn empty shops into community services such as libraries and arts centres
