Grammar

In French, when one word ends with a vowel and the next one starts with a vowel, the first word loses the vowel and is replaced with an apostrophe

Je + étudie → J'étudie

After 'c'est' (it is) the adjectives will remain in masculine, singular form.

Liaison: the 't' in 'c'est' is only pronounced when the next word is a vowel.

All the days of the week are masculine (use 'le') except from Sunday (use 'la').
