

St Thomas' Acceptable Use Policy - KS2

This agreement will help to keep you safe and remind you how to be fair to others. A trusted adult is somebody who you know, they are people who care for you and want to make sure that you stay safe in and outside of school.

*DigiSafe is an LGfL brand – view online safety documents & more at safepolicies.lgfl.net

	Tick if you can agree:	✓
1	I learn online – I use the internet and online devices for schoolwork, homework and other activities to learn and have fun. I use safe search tools approved by my trusted adults (swiggle.org.uk), but am aware that I can't trust all the information I see online.	
2	I ask permission – Whether at home or school, I only use the devices, apps, sites and games I am allowed to, at the times I am allowed to.	
3	I am creative online – I don't just spend time on apps, sites and games looking at things from other people. I get creative to learn and make things.	
4	I am a friend online – I do not post, make or share unkind, hurtful or rude messages/comments and if I see it happening, I will tell my trusted adults and tell them to tell theirs too.	
5	I am careful what I click on – I will tell a trusted adult if I see or click on a link or advert online. If I make a mistake, I don't try to hide it but ask for help. Sometimes these links can cost money or bring computer viruses.	
6	I know new online friends might not be who they say they are – I am careful when someone wants to be my friend. Unless I have met them face to face, I can't be sure who they are. I would never meet an online friend without a trusted adult.	
7	I am private online – I only give out private information if a trusted adult says it's okay. This might be my real name, school, address etc. I keep my passwords to myself and reset them if anyone finds them out. Even best friends don't share passwords	
8	I am a rule-follower online – I know that apps, sites and games have rules on how to behave, and some have age restrictions. I follow the rules and report bad behaviour. I also know that I can't copy work other people have done unless I have their permission.	
9	I ask for help if I am scared or worried – I will talk to a trusted adult if <u>anything</u> upsets me or worries me on the internet, an app, site or game – it often helps.	
10	I don't do live videos (livestreams) on my own – I will check with a trusted adult before I video chat <u>with anybody</u> , send any photos or videos. I know anything I do can be shared and might stay online forever (even if I delete it).	
11	I say no online if I need to – I don't have to do something just because a friend dares or challenges me to do it, or to keep a secret. If I get asked anything that makes me worried, I will stop and tell a trusted adult immediately.	
12	I tell my parents/carers what I do online – they might not know the app, site or game, but they can still help me when things go wrong, and they want to know what I'm doing. I know it is important to be honest with those who care for me.	

I have read and agreed to the statements above. If have any questions, I will speak to a trusted adult.
