St Thomas PTA
HELPING HANDS

We are helping hands, the PTA for St Thomas CofE Primary school, we are a registered charity who aims to raise vital funds for school. The funds we raise are to benefit all children in the school and to put on fun events for the children to enjoy. Our funding efforts at the moment are going towards furniture for the classrooms.

Spring and Summer Events

Our upcoming events are listed below, we are gearing up now for our Summer Fair. Our next meeting will be a Summer Fair Planning meeting, can you come along on 17th April at 3.30, school children will be taken care of by a teacher whilst the meeting is on.

We are looking for new ideas, stall ideas, Entertainment suggestions, **do you have equipment we can use?**

Can you offer contacts for ice creams, candy floss, foods, games. Do you know someone who will go in goal For an hr. Every little helps!

Where the money raised goes

Do you know as a registered charity, the money we raise is separate from school funds. Our committee members meet and vote on what our fund-raising money should be spent on.

The funds provide additional resources to school which would be completely out of schools budget

Funds have been spent on

30 ipads for classes

Breakfast with Santa annual event

Playground equipment in KS1/EYFS

Our next targets our, further funds for

Astroturf to the cage area & classroom furniture which has been proven to support the learning environment.

Debunk some myths

What is holding you back from helping the PTA?

Did you know that you can help as much or as little as you can, we don't need huge commitments, help could be asking for raffle prizes, shopping for wrapping paper, helping at our after-school tuck shop.

You don't need to attend meetings.

You get to see your children enjoying the events, watching children cheer as Santa walks into our breakfast with Santa event is a huge annual highlight for volunteers.
