

Pupil Leadership Teams

At St Thomas' we want to give all pupils the opportunity to develop leadership skills that help to prepare them for success in their ongoing and future education.

All pupils in KS2 take up a role on one of our Pupil Leadership Teams (PLT) and help to lead our school, making changes that matter to our whole school community. They meet regularly to share ideas, discuss any issues and plan special events to support the chosen area for example our Worship Committee planned a prayer spaces week.

We ask children to choose which one they want to join to maximise pupils' skills, talents and interests. Over the course of the year the PLT lead various events across school.
