

Impact of Sports Premium Funding – St Thomas' CE Primary School

At St Thomas', we deliver a rigorous, progressive and balanced P.E. curriculum based on conceptual knowledge and key skills that aims to challenge and inspire our children to lead a lifelong healthy and active lifestyle. Our carefully sequenced P.E. curriculum, with foundations skills at its core, is organised coherently ensuring children revisit and build upon their knowledge and skills taught in Reception to Year 6. Each unit has been carefully selected to allow pupils to apply their growing skills, knowledge and understanding in a range of contexts. Our curriculum extends beyond our PE lessons; the daily mile, extra-curricular clubs, specific lunchtime clubs, which are lead by two qualified coaches and sporting competitions are all vital parts of our 'PE, School Sport and Physical Activity' provision. We ensure that **all** pupils have a chance to compete regularly as part of their curriculum through consistent monitoring and tracking of attendance. Alongside physical development, our school Sporting Values of 'Respect, Friendship, Courage and Excellence' are consistently taught through our curriculum.

Our Key Stage Two Girls and Boys football teams have reached the final for the Jubilee football league in 2022-23.

Participation:

Our school is keen to provide a wide range of extra-curricular clubs for pupils. The clubs are delivered by both school staff and sport coaches. For example, netball, dance, gymnastics, cross-country, fencing, judo and football. We monitor participation and check uptake against gender, SEN and disadvantaged children via the PE Passport app.

Swimming

We carefully map out our swimming dates to ensure that all classes, including EYFS, attend a series of swimming lessons each year. This allows us to target key pupils to ensure they make the progress needed in order to meet the expectations for swimming by the end of Year 6. Extra tuition is available for pupils in year 6 who do not meet the expectation by the end of the Autumn term. 94% of our Year 6 pupils have met all the expectations for swimming in 2022-23. In addition to this, we allocate time in the calendar for Gala swimming training to give talented swimmers the opportunity to perform at an elite level.

The aims of our spending are to:

- Embed the PE curriculum to match our Intent, making full use of P.E Passport
- Ensure all children meet the Year 6 swimming expectations
- Develop fitness levels and encourage participation for all
- Develop a positive attitude towards a lifelong healthy lifestyle

Jesus said, 'Come follow me, live your lives the way God wants you to.'

Impact of Sports Premium Funding – St Thomas' CE Primary School

Area of Focus	Evidence	Action Plan	Funding Breakdown	Impact & sustainability
Embed the PE curriculum to match our Intent.	PE passport app with uploaded edited lesson plans. Video evidence of lessons within PE Passport. Tracking the participation of groups of children in extra-curricular clubs and competitions.	Adapt the PE Passport curriculum to ensure that this meets our intent for PE. Staff CPD to ensure that staff are uploading evidence as part of the PE lesson. Ensure that all staff who run a club, use P.E. passport as evidence to monitor participation.	£600 PE passport £95 AFPE £500 MADCOS (staffing costs)	Staff use P.E. Passport to deliver lessons and the planning is being edited to fit in the with St Thomas' format. Staff are routinely adding evidence onto the PE Passport app and are confident doing so.
Ensure all children meet the Year 6 swimming expectations	Swimming data for each year group. Swimming dates map. Progression in skills and knowledge map for swimming.	Map out dates for all swimming lessons to ensure opportunities for gala practice. Ensure year 6 children who will need additional practice to meet the swimming expectations have extra sessions if required.	Swimming sessions for EYFS. Extra lessons for elite swimmers, in preparation for swimming galas. Extra provision for Y6 children who are not on track to meet swimming expectations.	29/31 children in Year 6 passed all of the end of year expectations for swimming. All classes have attended swimming lessons. Next year: continue to track the progress of pupils each year to identify any pupils who will need extra provision ahead of Year 6.
Develop fitness levels and encourage participation for all	Engagement in lunchtime play. Daily Mile. Brain breaks	To resource lunch play equipment. Ensure sports coaches run a series of activities to engage pupils in physical	Lunchtime sports coaches Sports equipment for lunchtimes.	Structured and timetabled physical activity has been implemented and classes rotate activities during lunchtime, ensuring that they are physically active for at least half an hour each day. All children take part in the Daily Mile, which lasts approximately
