

## Sports Premium impact – Spring 25

At St Thomas', we deliver a rigorous, progressive and balanced P.E. curriculum based on conceptual knowledge and key skills that aims to challenge and inspire our children to lead a lifelong healthy and active lifestyle. Our carefully sequenced P.E. curriculum, with foundations skills at its core, is organised coherently ensuring children revisit and build upon their knowledge and skills taught in Reception to Year 6. Each unit has been carefully selected to allow pupils to apply their growing skills, knowledge and understanding in a range of contexts. Our curriculum extends beyond our PE lessons; the daily mile, extra-curricular clubs, specific lunchtime clubs, which are lead by two qualified coaches and sporting competitions are all vital parts of our 'PE, School Sport and Physical Activity' provision. We ensure that **all** pupils have a chance to compete regularly as part of their curriculum through consistent monitoring and tracking of attendance. Alongside physical development, our school Sporting Values of 'Respect, Friendship, Courage and Excellence' are consistently taught through our curriculum.

### Participation:

Our school is keen to provide a wide range of extra-curricular clubs for pupils. The clubs are delivered by both school staff and sport coaches. For example, netball, dance, gymnastics, cross-country, fencing, judo and football. We monitor participation and check uptake against gender, SEN and disadvantaged children.

### Swimming

We carefully map out our swimming dates to ensure that all classes, including EYFS, attend a series of swimming lessons each year. This allows us to target key pupils to ensure they make the progress needed in order to meet the expectations for swimming by the end of Year 6. Extra tuition is available for pupils in year 6 who do not meet the expectation by the end of the Autumn term. 100% of our Year 6 pupils have met all the expectations for swimming in 2023-24. In addition to this, we allocate time in the calendar for Gala swimming training to give talented swimmers the opportunity to perform at an elite level.

### The aims of our spending are to:

- Raise the profile of PE across school with children and staff.
- Develop fitness levels and encourage participation for all
- Increase participation in competitive sport
- Ensure all children meet the Year 6 swimming expectations

| Area of Focus                                                  | Evidence                                                                                                                                                                                                                               | Actions                                                                                                                                                                                                                                         | Funding Breakdown                                                                                                                                                          | Impact & sustainability                                                                                                                                                                                                                                                                                                 |
