

Sports Premium Impact Statement 24/25 – St Thomas' CE Primary

At St Thomas', we deliver a rigorous, progressive and balanced P.E. curriculum based on conceptual knowledge and key skills that aims to challenge and inspire our children to lead a lifelong healthy and active lifestyle. Our carefully sequenced P.E. curriculum, with fundamental movement skills at its core, is organised coherently ensuring children revisit and build upon their knowledge and skills taught in Reception to Year 6. Each unit has been carefully selected to allow pupils to apply their growing skills, knowledge and understanding in a range of contexts. Our curriculum extends beyond our PE lessons; the daily mile, extra-curricular clubs, specific lunchtime clubs, which are lead by two qualified coaches and sporting competitions are all vital parts of our 'PE, School Sport and Physical Activity' provision. We ensure that **all** pupils have a chance to compete regularly as part of their curriculum through consistent monitoring and tracking of attendance. Alongside physical development, our school Sporting Values of 'Respect, Friendship, Courage and Excellence' are consistently taught through our curriculum.

Participation:

Our school is keen to provide a wide range of extra-curricular clubs for pupils. The clubs are delivered by both school staff and sport coaches. For example, netball, dance, gymnastics, multi-skills, fencing, judo and football. We monitor participation and check uptake against gender, SEN and disadvantaged children.

Swimming

We carefully map out our swimming dates to ensure that all classes, including EYFS, attend a series of swimming lessons each year. This allows us to target key pupils to ensure they make the progress needed in order to meet the expectations for swimming by the end of Year 6. Extra tuition is available for pupils in year 6 who have not met expectations by the end of the spring term. 94% of our Year 6 pupils have met all the expectations for swimming in 2024-25. In addition to this, we allocate time in the calendar for Gala swimming training to give talented swimmers the opportunity to perform at an elite level.

The aims of our spending are to:

- Raise the profile of PE across school with children and staff
- Develop fitness levels and encourage participation for all
- Ensure all children meet the Year 6 swimming expectations
- Increase participation in competitive sport

Impact of Sports Premium Funding – St Thomas' CE Primary School

Area of Focus	Evidence	Action Plan	Funding Breakdown	Impact & sustainability
Raise the profile of PE across school with children and staff.	PE passport app with uploaded edited lesson plans. Staff CPD New PE equipment	Adapt the PE Passport curriculum to ensure that this meets our intent for PE. Staff CPD to ensure that staff are delivering the PE scheme effectively. Ensure that all lessons have the correct equipment for excellent delivery. Ensure that lunch time sporting activities are resourced for a variety of sporting activities.	£599 PE passport Sports Equipment for lessons £459.59	Staff use P.E. Passport to deliver lessons and the planning is being edited to fit in the with St Thomas' format. Positive pupil voice from a variety of children who feel as though they are participating in a variety of sports across our PE curriculum and extra-curricular opportunities. Online videos help to support teacher's knowledge of progress and attainment. Staff have received PE subject specific CPD this year led by subject lead. Positive response from staff voice regarding edited PE lesson plans in improving the delivery of PE lessons. Timetabled sporting activities at lunchtimes to children to take part in with a sports coach. Subject leader monitors evidence of PE lessons that are uploaded to measure consistency of PE teaching and the recall of fundamental movement skills.
Develop fitness levels and encourage participation for all	Engagement in lunchtime play. Collaborative Daily Mile. Additional extra-curricular clubs to provide access to a variety of sports. Trikidz event to increase fitness levels and knowledge of a healthy	Continue to work with Community Multi-sports coaching. Audit sports equipment for lunchtimes. Monitor participation of lunchtime sports Pupil voice on interests for sports at lunchtimes. Swimming data monitored	Lunchtime sports coaches to guide children's play £5362. After school gymnastics clubs £2100. Swimming sessions for EYFS. Extra lessons for elite swimmers, in preparation for swimming galas.	PE lead monitors and creates a half term timetable for PE lessons to take place to ensure resources are available for all classes. As a result, all classes are spending 1hr 15min PE lessons. Classes rotate activities during lunchtime, to ensure variety of physical activity. Through the Sports Pupil Leadership Team, subject lead has worked with the children to create a timetable of sporting activities that the sports coaches will run throughout the half term. As a result, children feel as though they are participating in a variety of physical activities, and they are trying out new activities. Additionally, this has resulted in positive pupil voice as children feel as though their voice has been heard as their interests are being recognised.

	physical lifestyle. Youth sport Athlete visits (Olympic boxer) Active Schools Offer (workshops providing information for children about fitness and healthy lifestyles). All year groups attending swimming lessons, and top up lessons for those children who need it. Practice sessions for elite swimming to be part of our school gala team.	prior to each year group completing their swimming block to identify key areas of focus.	Extra provision for Y6 children who are not on track to meet swimming expectations.	All children take part in the Daily Mile, which lasts approximately ten minutes each day. Daily Miles are used as a brain break. Alternative brain breaks which include physical activity have been suggested to staff. This results in higher levels of concentration and physical movement for the children. In addition to taught P.E. sessions, our children exceed the daily recommended physical activity time of 30 minutes per day (Government guidelines). Extra-curricular clubs (KS2 football and netball) ran free of charge to allow equal access to sport for all children. 94% of year 6 children achieving end of key stage 2 swimming expectations (24-25)
Increase participation in competitive sport.	Participation in inter school competitions. Entry to swimming galas. Entry to Maghull Netball League Entry to football league (both girls and boys teams).	Continue to enter local competitions and galas to allow children to compete against other schools. Coordinate attendance of matches into the leagues and events.	Taster sessions of Judo and fencing £540 £95 AFPE £585 MADCOS sports league £350 Chesterfield School Sports (galas, netball league and other sporting events) Staff-run clubs (netball, dance and cross-country) NRG gymnastics, dance and football Coach led after school clubs for school teams £4640	High attendance across all sport focused extra-curricular clubs. Payment to chesterfield and MADCOS so that we can take part in local tournaments, leagues, galas and competitions. Increase in numbers of school football team and girls football team. Children have attended galas with other local schools to compete and have been very successful in achieving 1st and 2nd place.
